- ❖ Surgical Registrar at St. Thomas Hospital Nov. 90 to Sept . 92

I have been working in the Colorectal Department under the supervision of Mr. B T Jackson and Mr. R.G. Nicholls. During this period I have independently carried out minor colorectal operations, hernias, partial gastrectomy, gastrojejunostomy, hemilectomies, cholecystectomy, etc. Assisted in most major operations i.e. total gastrectomy, Whipls operation, total colectomy, anterior resection, abdominoperineal and rectal punch operations.

❖ **Surgical Registrar from October 1991 to September 1992 in Endocrine and Vascular Units.**

Worked in the Endocrine Department under the supervision of Mr. A.E. Young. Performed a large number of breast operations independently. Assisted in other major endocrine surgery, thyroid and suprarenal operations. I have occasionally worked in the Vascular Department under the supervision of Mr. C.W. Jamieson. Assisted in various types of vascular surgery, carotid endarterectomy, aortic aneurysm repair bypass vascular surgery. I performed varicose veins surgery and also inserted vascular catheters.

- 15.9.92 to 20.5.93 Senior Surgical Registrar (paid job)
Worked with Professor Burnand in the Surgical Unit. With his help, I have performed vascular operations such as carotid endarterectomy, aortic aneurysm repairs,. Aorto-femoral bypass, femoro- popliteal bypass.
- From 27.5.93 to 10.7 93 Clinical Attachment at King's College Hospital Hepato Biliary Unit where I assisted Professor Benjamin in many procedures such as resection and bypass biliary surgery.
- From 11.7.93 to 30.9.93 worked in the Department of Surgery under Professor Burnand to further my vascular experience.
